During the course of discussions with you at Bangalore recently about the subjects requiring orders of Government, it was told by you that no reference is received regarding the appointment of three suboverseers In this connection I wish to invite your kind reference to my letter No C2 PT 50C 71/1-5-56 forwarding the resolution of the council passed during the consideration of the Budget, wherein sanction has been sought for the appointment of 3 suboverseers in grade Rs 50-5-100, 3 second division clerks in grade Rs 40-2-50-3-80, 4 peons in grade 15-½-22 and one Head draftsman in grade Rs 70-5-125 in place of one existing draftsman

This office letter No C2 PT 50C71/5C-57 dated 23-5-56 requesting orders re the posting of the sub overseers was only with a view to obtain very early sanction of the Government for 3 suboverseers at least required for preliminary work in the first instance, to enable the Chief Engineer to spare the services of three suboverseers, so that the municipal council could start the work

Copy of the resolution in question together with copy of the letter requesting sanction is enclosed for ready reference as desired

I request the favour of very early orders in the atter for the reasons explained in the letter and in person
